Our school is committed to supporting families and promoting sustainability. We offer a second-hand uniform scheme, providing good quality pre-loved items at affordable prices.

Parents and carers are welcome to donate clean, wearable uniform items that are no longer needed. These items are then made available to other families at a reduced cost, helping to keep uniform expenses manageable while reducing waste.

Second-hand uniform is available at selected times during the school year, and details of upcoming sales will be shared via the school newsletter and website. If you would like to donate items or find out more, please contact the school office.

We thank our school community for supporting this initiative.
